

What Casting Directors are saying:

"We love SpeedReels! It helps us get actors jobs!"

AMY LIPPENS AND STEPHANIE LAFFIN, CASTING DIRECTORS "HOUSE"

"SpeedReels are great! Agents can shoot them over in an email, then we just click and see the reel immediately and we can tell instantly if their client is right for that audition. I think it's the future of casting."

TODD SHERRY, ASSOCIATE, PATRICK RUSH CASTING

"How do you get your work in front of me? SpeedReels. EVERY actor—represented or not—should have one."

SCOTT DAVID, APRIL WEBSTER CASTING

"I LIVE by Speedreels."

NANCY FOY, CASTING DIRECTOR, C.S.A.

What Agents/Managers are saying:

"I stopped counting the additional appointments I generated in three weeks after it surpassed 48, and that's when only 16 clients had SpeedReels."

TODD JUSTICE, IAB

"SpeedReels has made my job so much easier. I no longer have to wait for messengers to pick tapes up. I no longer have to wait for the tape to be viewed. A client's reel can be viewed within seconds of my sending it. I highly recommend it to all actors and their representatives. The immediate response has made my clients' activity soar."

LISA DISANTE-FRANK, MANAGER

"I've been working with SpeedReels for 3 years and have always been thoroughly satisfied with the quality of their work and rapid turnaround time. I refer SpeedReels to all my clients."

LEIGH BRILLSTEIN, SR. VICE PRESIDENT/ HEAD OF TELEVISION TALENT, ICM

What Actors are saying:

"SpeedReels is an incredible tool, even more effective than a regular reel because it is such an immediate pop. I sent it to a director and he became 'obsessed' with it, and found himself watching it way too many times."

CONNIE BRITTON (FRIDAY NIGHT LIGHTS, 24, SPIN CITY)

"My agent sent my speedreel to Mark Teschner, Casting Director at ABC Daytime. He proceeded to show it to all the producers at General Hospital, and they hired me for a recurring role without so much as an audition. Straight offer."

GONZALO MENENDEZ (CSI:MIAMI, THE ISLAND)

"My SpeedReel was instrumental in helping me get over \$24,000 in work within the first 8 months. I'd say it's been a pretty good investment for my career."

JAMES DUMONT (S.W.A.T., COLD CASE, HOUSE)

What is a SpeedReel?

A SpeedReel is a full-length demo reel's quicker cousin. Just 60 seconds of an actor's best work, hosted on SpeedReels.com and instantly email-able to industry folks.

Why just 60 seconds?

Because viewing reels is a little like going on a first date, minus the awkward moments. That one minute is all the time casting directors need (and have) to know if you're right for the job.

The SpeedReel Advantage.

Delivery made easy. Email it! CD's can see you right away while that *other* actor's reel is caught in cross-town traffic. You save the CD time; they like that.

Your SpeedReel isn't coy. It gets right to the point, showing your best work in 60 seconds. Even more saved time; CD's *really* like that.

They already know us. And like us! CD's are already asking for SpeedReels by name and browsing our online database. And that saves *you* time. (See? It works both ways.)

One is all you need. No more dubs! You save money! Alert the media!

Free stuff! Through our partnership with Breakdown Services, your SpeedReel link can be added to your Actors Access account for *free*. Plus, you can also add it to your imdb.com page for *free*. *Free*. Yup, we said it again.

The SpeedReel Experience

Working with the SpeedReel gang is the most fun you'll have taking control of your career. We enjoy creating reels that make the CD jump up and say, "That's the one!" That's why we make sure you get what you need and what you want throughout the whole process.
